**Some applications may require you to apply for additional permits and licensing. For example, if your business is based outside of the City and you would like to apply for a building permit you must first apply for a job-per-job business license.**

## **Per Job Contractor Business License Registration**

Choose this if you are performing construction work within the City of Goose Creek, but your office is located outside of the City of Goose Creek. You will pay the base business license tax thru this license beginning each license period. \*Be aware that a construction permit may be required as well.
